

Treatments

RADIO FREQUENCY..... £100

Radio-frequency skin tightening is an aesthetic technique that uses radio frequency energy to gently heat the skin with the purpose of stimulating collagen, elastin and hyaluronic acid production in order to reduce the appearance of fine lines and loose skin

MESOTHERAPY..... £100

Mesotherapy is a non surgical skin rejuvenation treatment that involves the transdermal delivery of Hyaluronic Acid directly into the mesoderm (middle layer of the skin). This nourishes and rejuvenates the skin by promoting the production of collagen and elastin.

Mesotherapy can be carried out as a stand alone treatment or combined with Radio Frequency and or Dermaplaning for further skin tightening and enhanced results. A Popular treatment for those who love the results of Microneedling but want to avoid any numbing up or downtime.

Treatment areas face, neck, décolletage and under eye rejuvenation.

Mesotherapy as a stand alone treatment..... £100

Dermaplaning & Mesotherapy £125

Radio frequency & Mesotherapy £125

Dermaplaning, Radio Frequency & Mesotherapy £150

Dermaplaning & Light Therapy <i>(1hr)</i>	£85

Dermalux Light Therapy

LED Facial *(50min)* £55
 LED light therapy can be a stand alone treatment or an add on to other more invasive treatments. Specific wavelengths of light stimulate different responses in the skin targeting fine lines, wrinkles, collagen production, acne, oily and inflammatory skin. LED light therapy improves skin elasticity, tone and texture. The treatment includes a double cleansing process, exfoliating scrub, enzyme peel and then a 20 min LED application

HIFU

HIFU 'High Intensity Focused Ultrasound'. for natural-looking results without surgery or downtime
HIFU is a non-invasive cosmetic treatment that utilises micro focused ultrasound energy to target deep layers in the skin. This boosts new collagen production resulting in skin tightening, lifting and facial contouring.

Face.....	£450-£500
Face and neck.....	£550-£600
Face, neck and décolleté	£650-£700
Forehead, frown lines, brow lift	£250

The cost of HIFU treatment depends on the total amount of pulses required to carry out the treatment. This is calibrated when the treatment ends. The treatment area size and therefore, cost will vary with each individual

Plasma Fibroblast

Removal of loose excess skin without damage to the basement membrane, muscle or other underlying structure Plasma gives outstanding results which you would normally only expect after surgery but with no scalpels and no suturing involved. Treatment can be carried out on any area of the face or body that has loose skin.
A consultation appointment is required before all Plasma treatments.

Eyelid Cost	£300
Undereye Cost	£250
Full Eye Package	£500
Crows feet	£250
Crows feet	£50
<i>(as an add on to upper or lower lids)</i>	
Upper Lip.....	£300
Upper Lip Including Naso Labial Folds	£350

Other popular treatment areas include neck, side of face, abdomen, breasts and thighs
These areas are priced on assessment as the individual treatment size will vary.
**see website for more info*

Tooth Whitening

Tooth Whitening <i>(30min)</i>	£225
Top up whitening Gels.....	£18
